

MEET YOUR NEIGHBORS AND HEAR THEIR STORIES

Sunday, April 19 5:00-6:15 p.m.

Raleigh Unit 413

The KYN Committee welcomes you to our **OCCASIONAL VAUX STORIES**. Vaux residents will provide an opportunity to gather and learn about our neighbors' interesting lives and careers.

Light refreshments will be served.

Paul Block

My Journey from Brooklyn

Paul Block will talk about his years in the entertainment industry, including his time in New York as a Talent Agent and Talent Manager, his time working in TV as a Talent Executive for Mike Douglas and Johnny Carson, and his time as a Producer and Executive Producer of music and comedy specials for HBO, Showtime, Lifetime, NBC and more. He'll also talk about his time working for Paul Allen's Tech TV.

Linda Whiteford

Disease, Disaster, and Delight

The Life of a Medical Anthropologist.

Cholera, Ebola, Dengue Fever, Zika, and Dysentery are my diseases. Water quality and quantity, critical to their transmission, is my focus. Volcanic eruptions, urban earthquakes, and hurricane-induced floods are my geophysical disasters. And the delight, well those are us: the humans and their cultures. I'll briefly tell you why.
